

# UPGRADING COGNOS DOESN'T HAVE TO BE A PROJECT ANYMORE.

Fast and Hassle-Free upgrades for your business.

## OUR MISSION

Cognos upgrades can be challenging, often interrupting daily operations and delaying critical projects. Our mission is to simplify this process, ensuring upgrades are quick and seamless.

## OUR TEAM

Motio and Quanam form a dynamic duo, boasting a track record of over 25 successful Cognos upgrades. This partnership brings together unique skills and expertise to offer the fastest and most cost-effective solutions for Cognos upgrades, ensuring that each project is not just completed but excels in effectiveness and quality.

## OUR APPROACH

- Utilizes Sandbox Methodology for Dedicated Project Environment
- Isolates from Day-to-Day Work: No Interruptions, No Delays
- Automates Testing for Speed and Efficiency
